

## Candidate questionnaire Spring 2022 New York Primaries

These 5 questions are designed to help voters rate candidates according to attributes presented at [mycandidatescorecard.org](http://mycandidatescorecard.org). Please insert your answers below. It's ok to insert links to resources that will help voters understand you better. Be as succinct as possible. Please e-mail completed surveys to [info@mycandidatescorecard.org](mailto:info@mycandidatescorecard.org) with the subject line "candidate survey".

- 1. Integrity** Is the candidate ethical? Is the candidate honest and open? Does the candidate adhere to the rules of fair play? Is the candidate trustworthy, responsible, and accountable? Is the candidate dignified and respectful?  
Please give an example of something you've done that demonstrates your Integrity?
  
- 2. Leadership** Can the candidate give examples that show how they have solved important problems? Can they give examples that show how they have led people to work together to achieve goals or solve problems?  
Please give an example of something you've done that demonstrates your Leadership?
  
- 3. Education & Experience** How favorably do you view the candidate's employment history? Their educational achievements? Their volunteer work? Their military service?  
Please list any aspects of your education and/or experience that uniquely qualify you for the office you are seeking?
  
- 4. People before Party** Is the candidate loyal to the voters or their political party? Can the candidate "cross party lines" to achieve the common good, or will they just "toe the party line"?  
Please give an example, or make a statement, that demonstrates your commitment to "people before party"?

5. **Policy Agenda** Job creation, public education, the environment, healthcare, housing, immigration, infrastructure, law & justice, police & military, public safety, regulations, taxes. How favorable is the candidate's policy agenda? Please list the top 3 agenda items that you intend to pursue in your first year in office. Please specify a) how you intend to pursue these goals, b) how confident you are that the goals will be achieved, c) potential barriers to successfully achieving these goals, and d) what your constituents can do to help you achieve these goals.
